

COURSE EVALUATION

PREPACKAGES WORKSHOP

23rd – 25th March, 2009

Held in Zagreb

Organised by: Gordana Vivoda, DZM, Zagreb

Supported by: CARDS 2004

With grateful thanks to Jamnica for permitting practical work on their premises.

I aim to provide first-class tuition and to set the highest standards of presentation. In order to maintain these standards it is very useful to receive feedback from course delegates. Could you therefore please take a few minutes to complete this questionnaire?

Please indicate your rating by ticking the appropriate boxes marked 1-10.

(1 = POOR, 10 = EXCELLENT).

If you score any below 5 please give a supporting comment in the box below.

	1	2	3	4	5	6	7	8	9	10
Overall rating								2	3	16
Achievement of course objectives								2	8	11
Validity of course to you							1	4	1	15
Course length and pace						1	2	2	3	12
Tutors' presentation								2	2	17
Course content (general)								2	2	18
Venue									2	19

Please make any comment supporting answers above or suggestions for improvement.

Nothing to add, everything was clear, may be a little bit too much data & information which I haven't heard 'til now.

For me your presentation was so helpful, so if I will have anything to discuss I will write an e-mail!

Thank you for your participation and feedback.

Howard Burnett
